Location: **Altos de los Monteros**

Description: One of the cheapest three bedroom apartments in this complex of contemporary apartments & it now comes with a good car included. The complex is in Los Monteros de marbella one of Marbellas most prestigious areas and with three bedrooms and three bathrooms it provides incredible value for money at this price. The views are limited and the complex is on the mountain top, however the sea can be seen from this very cosy and very sunny south west facing terrace and the views from the pools and communal areas are fantastic. The apartment its self feels spacious, bright and roomy and yet again for this price in a top location it will be very hard to beat this property.
